Clint A. Modesitt

MANAGING DIRECTOR, FORENSICS

PROFESSIONAL PROFILE

Mr. Modesitt has over two decades experience in digital forensics. He provides computer forensic consulting and expert witness services across a variety of litigation and investigation matters. Clint has deep experience in forensic acquisition and analysis techniques related to digital evidence. He performs forensic analysis for complex matters related to computer tampering, destruction of evidence and spoliation, network intrusions, intellectual property theft, fraud, and foreign corrupt practices among others.

Mr. Modesitt began his career in computer forensics as a computer forensic investigator with the Maricopa County Sheriff's Office in 2001. He has also held senior management and director roles with boutique forensic investigation firms, a national consulting firm, a national eDiscovery vendor, and the leading forensic software company, Magnet Forensics, the developers of Axiom.
